Open to youth, 12-18 years old, the weekend will consist of great worship, relevant sharing, fun activities, hangin' out with old and new friends, and excellent food!

Our theme for the weekend, **Illuminate**, has been inspired by the song "Lights Shine Bright" by Toby Mac featuring Hollyn.

Youth will consider how faithful disciples in Community of Christ are called to shine their lights by focusing on the whole mission of Jesus Christ through the five mission initiatives.
